Sorin Popa, Mayor of Comarnic Town:
„We are glad to host this event and to offer our
guests optimal conditions for an international
orienteering competition as well as
the ambience of our beautiful landscapes.”

You will race at the foot of Plesuva Peak, where our flag was
first hoisted in 1839, as Romanian's army flag wick in 1861 became
the national flag, under Alexandru Ioan Cuza's regency.
