

Buletinul 3 contine, fata de Buletinul 2 :

- cateva actualizari referitoare la datele tehnice si lungimea unor culoare de dirijare care au intervenit datorita unor defrisari noi, unor garduri noi sau mutate intretimp precum si unor culoare/poteci curatate de noi de vegetatie pentru a oferi variante accesibile la diferite sectiuni/ categorii;
- detalieri referitoare la Cupa Picnic Comarnic.

Bulletin 3 includes, compared to Bulletin 2:

- several updates regarding technical data and the length of some guiding corridors, which have been affected by new clearings, newly built or relocated fences, as well as corridors/paths cleared by us of vegetation in order to provide accessible alternatives for different sections/categories;
- details regarding the Picnic Cup Comarnic.
